Prevent the Breakdown:
Tune Up Your Health This
Year

You keep LA moving every single day by making sure our systems and equipment run smoothly. But when was the last time you ran a routine diagnostic check on yourself?

Catching health issues early like pre-diabetes, high blood pressure, or elevated cholesterol, is the easiest way to prevent major health breakdowns down the road. This year, ATU Local 1277 and LA Metro are encouraging all members to take advantage of \$0 out-of-pocket preventive checkups and personalized health resources.

Explore this booklet to review your plan options, check out available wellness tools, and ensure you and your family are fully covered for the year ahead!

IMPORTANT NOTE: This is a summary overview and does not provide a complete description of all benefit provisions. While we've made every effort to make sure that this overview is comprehensive, it cannot provide a complete description of all benefits. Specific details and limitations are provided in the plan documents, such as the Summary of Benefits and Coverage (SBC), Evidence of Coverage (EOC), etc. Plan documents contain relevant provisions and determine how benefits are paid. If the information in this overview differs from the plan documents, the plan documents prevail.

MEDICARE PART D NOTICE

If you (and/or your dependents) have Medicare or will become eligible for Medicare in the next 12 months, a federal law gives you more choices about your prescription drug coverage. Please see the Important Plan Information section for more details.

GETTING STARTED

Whether you're enrolling in benefits for the first time, nearing retirement, or somewhere in between, The Los Angeles County Metropolitan Transportation Authority (LA Metro) and Amalgamated Transit Union Local 1277 (ATU) support you with benefit programs and resources to help you thrive today and prepare for tomorrow.

This Benefits Guide provides a summary of benefits you have as a member of ATU Local 1277. The plans described in this guide are subject to the specific terms and provisions of the governing plan documents, which are the sole source for interpretation and administration of the plans and programs.

You'll find tips to help you understand your medical coverage, save time and money on healthcare, reduce taxes, and balance your work and home life. Review the coverage and tools available to you to make the most of your benefits package.

2026-2027 BENEFITS Coverage

Coverage Period: October 1, 2026, through September 30, 2027.

Open Enrollment begins September 9 - September 18, 2026.

WHO'S ELIGIBLE FOR BENEFITS?

Employees

You are eligible if you are a full-time employee working 30 or more hours per week.

Eligible dependents

- Legally married spouse
- Registered Domestic Partner (RDP), where applicable by state law, is eligible for coverage if you have completed a Domestic Partner Affidavit
- Natural, adopted or step-children, or children of a domestic partner up to age 26
- Children over age 26 who are disabled and depend on you for support
- Children named in a Qualified Medical Child Support Order (QMCSO).

For additional information, please refer to the benefit booklets for each benefit.

Who is not eligible

Members who are not eligible for coverage include (but are not limited to):

- Parents, grandparents, and siblings.

IMPORTANT: When can you enroll?

*You can enroll in benefits as a new hire or during the annual Open Enrollment period. New hire coverage begins on the first of the month following 60 days of employment. **You must enroll within 30 days of becoming eligible.***

If you miss the enrollment deadline, you'll need to wait until the next Open Enrollment (the one time each year that you can make changes to your benefits for any reason).

WHAT'S CHANGING THIS OPEN ENROLLMENT

Open Enrollment is a once-a-year opportunity to review your benefit choices, change plans, add or drop dependents. After Open Enrollment ends, you cannot change your benefit elections until the next Open Enrollment in 2027, unless you experience an eligible life event,

Open Enrollment begins September 9th through September 18th, 2026.

Any changes made during OE will be effective on **October 1, 2026.**

What's new or changing

Our current benefit program will continue into 2026/2027 with minor changes. While your benefits aren't changing, you may have had some major life changes. Do your current choices still meet your needs? Review this benefits guide to understand your coverage options. Include your spouse or partner in the review if they have input into your family's benefits decisions.

These changes will be effective on October 1, 2026.

Vision:

NEW plan enhancement for your vision benefit:

- Your VSP vision plan now has a \$0 copay for contact lens fitting (see page 13 for more details)

Do I need to enroll?

If you do not have any changes to make to your 2026/2027 benefits, then **no action is required.**

If you need to make any changes to your benefits, you must complete and send all forms to the Benefits Team no later than September 18, 2026:

- Email: benefitsa@metro.net
- by mail to: **LACMTA**
One Gateway Plaza 99-PL-9,
Los Angeles, CA 90012
- by FAX: **213-922-7190**

IMPORTANT: *If you miss the enrollment deadline, you'll need to wait until the next Open Enrollment (the one time each year that you can make changes to your benefits for any reason), unless you experience a qualifying life event. If you do, you must enroll within 30 days of becoming eligible.*

CHANGING YOUR BENEFITS

Click to play video

LIFE HAPPENS

A change in your life may allow you to update your benefit choices. Watch the video for a quick take on your options.

THREE RULES APPLY TO MAKING CHANGES TO YOUR BENEFITS DURING THE YEAR:

1. Any change you make must be consistent with the change in status.
2. You must make the change within 30 days of the date the event occurs.
3. All proper documentation is required to cover dependents (marriage certificates, birth certificates, etc.).

Outside of Open Enrollment, you may be able to enroll or make changes to your benefit elections if you have a big change in your life, including:

- Change in legal marital status
- Change in number of dependents or dependent eligibility status
- Change in employment status that affects eligibility for you, your spouse, or dependent child(ren)
- Change in residence that affects access to network providers
- Change in your health coverage or your spouse's coverage due to your spouse's employment
- Change in an individual's eligibility for Medicare and/or Medicaid
- Court order requiring coverage for your child
- "Special enrollment event" under the Health Insurance Portability and Accountability Act (HIPAA), including a new dependent by marriage, birth or adoption, or loss of coverage under another health insurance plan
- Event allowed under CHIP Reauthorization Act (request must be made within 60 days)

You must submit your change within 30 days after the event.

Dependent Verification

Making changes to dependents is subject to eligibility verification in order to ensure only eligible individuals are participating in our plans. You will be required to provide proof of one or more of the following within 30 days of their eligibility:

- Marriage Certification or License
- Domestic Partners Affidavit
- Birth Certificate
- Final decree of divorce
- Court documents showing legal responsibility for adopted children, foster children or children under legal guardianship
- Physician's written certification of disabling condition (for dependent children over age 26 incapable of self-support)

If you do not supply the proper documentation to make changes to dependents within the 30-day period, you will not be able to add the dependent(s) until the next Open Enrollment period.

All About Medical Plans

Which Plan Is Right For You?

That depends on your healthcare needs, favorite doctors, and budget. Here are some considerations.

Do you prefer specific doctors or hospitals?

If you want to stay with your favorite doctors and facilities, check whether they are in the plan's network. If they are not, but you are comfortable paying a bit more to see them, consider a plan with both in-network and out-of-network benefits.

What are your usual healthcare needs?

Do you have frequent doctor or urgent care visits? Do you have a condition that requires a specialist? Do you take prescription medications? Compare how each plan covers the services you need most often.

Consider the bottom line

Do you have to meet a deductible? What is the out-of-pocket maximum? How much of the cost is covered by the plan? How much are any copayments for office visits, prescriptions, etc. All of these factors together affect your total cost for healthcare.

KEEP SMILING WITH DELTA DENTAL

Why Sign Up For Dental Coverage?

It's important to go to the dentist regularly. Brushing and flossing are great, but regular exams catch dental issues early before they become more expensive and difficult to treat.

That's where dental insurance comes in. Dental insurance makes it easier and less expensive to get the care you need to maintain good oral health.

Dental insurance covers four types of treatments:

- **Preventive** care includes exams, cleanings and x-rays
- **Basic** care focuses on repair and restoration with services such as fillings, root canals, and gum disease treatment
- **Major** care goes further than basic and includes bridges, crowns and dentures
- **Orthodontia** treatment to properly align teeth within the mouth.

Virtual Healthcare

Maximize Your Healthcare

Knowing how to best use your healthcare coverage can help you improve your health and reduce your expenses. In this section you'll find tips on:

- Finding the right care at the right cost
- Understanding preventive care benefits
- Saving money on prescription drugs

Health Enhancing Programs

In addition to medical coverage, we provide these programs and services to help you access care when and how you need it and address special health concerns:

- **Headspace (Kaiser)**
- **Calm (Kaiser)**
- **LiveHealth Online Virtual Care (Anthem)**
- **Lark Diabetes Prevention Program (Anthem)**
- **Browning Therapy Group Mental Health & Substance Abuse Benefit**
- **Epic Hearing and more!**

KNOW WHERE TO GO

Where you get medical care can have a significant impact on the cost. Here's a quick guide to help you know where to go, based on your condition, budget, and time.

Type	Appropriate for	Examples	Access	Cost
Nurseline 	Quick answers from a trained nurse	- Identifying symptoms - Decide if immediate care is needed - Home treatment options and advice	24/7	\$0
Online visit 	Many non-emergency health conditions	- Cold, flu, allergies - Headache, migraine - Skin conditions, rashes - Minor injuries - Mental health concerns	24/7	\$
Office visit 	Routine medical care and overall health management	- Preventive care - Illnesses, injuries - Managing existing conditions	Office Hours	\$\$
Urgent care, walk-in clinic 	Non-life-threatening conditions requiring prompt attention	- Stitches - Sprains - Animal bites - Ear-nose-throat infections	Office Hours, or up to 24/7	\$\$\$
Emergency room 	Life-threatening conditions requiring immediate medical expertise	- Suspected heart attack or stroke - Major bone breaks - Excessive bleeding - Severe pain - Difficulty breathing	24/7	\$\$\$\$\$

PREVENTIVE CARE SCREENING BENEFITS

You take your car in for maintenance. Why not do the same for yourself?

Annual preventive checkups can help you and your doctor identify your baseline level of health and detect issues before they become serious.

What is Preventive Care?

The Affordable Care Act (ACA) requires health insurers to cover a set of preventive services at no cost to you, even if you haven't met your yearly deductible. The preventive care services you'll need to stay healthy vary by age, sex, and medical history.

**Preventive care is covered in full
only when obtained from an
IN-NETWORK provider.**

Not all exams and tests are considered preventive

Exams performed by specialists are generally not considered preventive and may not be covered at 100 percent.

Additionally, certain screenings may be considered diagnostic, not preventive, based on your current medical condition. You may be responsible for paying all or a share of the cost for those services.

If you have a question about whether a service will be covered as preventive care, contact your medical plan.

TYPICAL SCREENINGS FOR ADULTS

- Blood pressure
- Cholesterol
- Diabetes
- Colorectal cancer screening
- Depression
- Mammograms
- OB/GYN screenings
- Prostate cancer screening
- Testicular exam

PRESCRIPTIONS BREAKING YOUR BUDGET?

THE FORMULARY DRUG TIERS DETERMINE YOUR COST

\$ Generic Drug

\$\$ Brand Name Drug

\$\$\$ Specialty Drug

Click to play video

Understanding the formulary can save you money

If your doctor prescribes medicine, especially for an ongoing condition, don't forget to check your health plan's drug formulary. It's a powerful tool that can help you make informed decisions about your medication options and identify the lowest cost selection.

What is a formulary?

A drug formulary is a list of prescription drugs covered by your medical plan. Most prescription drug formularies separate the medications they cover into four or five drug categories, or "tiers." These groupings range from least expensive to most expensive cost to you. "Preferred" drugs generally cost you less than "non-preferred" drugs.

Get the most from your coverage

To get the most out of your prescription drug coverage, note where your prescriptions fall within your plan's drug formulary tiers and ask your doctor for advice. Generic drugs are usually the lowest cost option. Generics are required by the Food and Drug Administration (FDA) to perform the same as brand-name drug equivalents.

To find out if a drug is on your plan's formulary, visit the plan's website or call the customer service number on your ID card.

Lark – Digital Diabetes Prevention Coaching

Roughly 88 million Americans are living with prediabetes but 84% aren't even aware they have it. Prediabetes often doesn't cause symptoms, but it does increase the risk of developing type 2 diabetes, heart disease, and stroke. That's why Anthem partnered with Lark to offer a diabetes prevention program that can help determine if you're at risk for prediabetes and if needed, take steps to address it. This program can help you with losing weight, eating healthier, increase activity, sleep better, manage stress.

Participation in this program is at no extra cost as part of your health plan. Track progress, check in with a personalized coach, and learn more about prediabetes right in Lark's free mobile app. This program is flexible, convenient, and follows guidelines from the Centers for Disease Control and Prevention (CDC) to help make small changes that can improve health and decrease risk over time.

To get started, log in to the **Sydney app** and you will find the **Lark DPP** screen under **Programs** in **My Health Dashboard**. Take the one-minute survey and start improving your health and well-being today.

24/7 Nurse Line

Health issues can arise at the most inconvenient times and places for you and your loved ones. Whether it's 3 a.m. at home or 10 a.m. while you're in the office. You have access to a nurse you can talk to any time, day or night, 365 days a year. Just call the number on the back of your ID card.

MENTAL HEALTH & SUBSTANCE ABUSE BENEFITS PLAN FAQ

Who is Covered Under This Plan?

This benefit and its services are available to eligible active and retire members of ATU and their immediate families.

EAP Vs. Your Union Plan – What’s the Difference?

Services you receive with the Employee Assistance Program (EAP) are provided by MTA management to help resolve employee problems that impact work performance. With the EAP program, privacy and confidentiality of your counseling is limited and cannot be guaranteed, since the outcome may be shared with your employer, or become part of your permanent employee records.

On the other hand, under your Union Plan you receive care from a professional and highly skilled therapists with the assurance of total confidentiality. Everything that takes place between you and your counselor at Browning Therapy Group can never become part of your permanent employee records. This information will not be shared with any outside person, governmental agency, insurance company, EAP group, or your employer.

In addition, the comprehensive Mental Health and Substance Abuse services provided to you and your family under your Union Plan are not available through EAP services, nor any other typical healthcare insurance plan.

Do I Need a Doctor’s Referral to Make an Appointment?

No referral is needed. Just have your badge numbers and call the number on the back cover. Browning Therapy Group’s staff is here to help you and answer any questions that you may have. After they verify your eligibility, you will receive a call back to schedule an appointment and provide any pertinent information for your first visit.

If Marriage-Partner or Family Counseling Needed?

Most healthcare plans will not cover marriage-partner or family related therapy unless a “mental disorder” of some kind exists. This benefit provides comprehensive and solution-focused professional therapy for marriage-partner relationship, and parenting challenges.

When are Mental Health Services Needed?

If you or a loved one find that you are becoming increasingly nervous, irritable, angry, withdrawn, discouraged, depressed, or are experiencing disturbances in sleep or appetite – seeking therapy may be the wisest choice you can make. If workplace, family or emotional problems are affecting our physical health in the form of high blood pressure, ulcers, eating disorders or panic attacks – seeking professional help early can reduce your chances of long-term physical damage.

Is Substance Abuse Treatment Right For You or a Loved One?

Those who are suffering from addictions, or are affected by a loved one’s addiction, can find the help they need. Browning Therapy Group’s staff provides one-on-one and family therapy for the addict and his or her family for destructive behaviors such as problem drinking, drug dependence (including prescription drugs), sexual and porn addiction, eating disorders, compulsive stealing, out-of-control gambling, and other forms of obsessive-compulsive disorders. Addiction counseling typically requires involvement in an ongoing recovery program, such as a 12-step group or other form of rehab while seeing a Browning Therapy Group staff member. This benefit does not provide in-patient rehabilitation or medication management for the addict; but they do provide referrals for those in need of more intensive care. Browning Therapy Group will coordinate and provide outpatient therapy upon discharge from an in-patient program for a seamless transition of care.

When is Workplace Counseling Needed?

If you are having emotional or relationship struggles in your personal life, many times they can cause major difficulties on the job as well. In a recent research study, 24,000 employees were asked if personal issues outside of work caused them any problems on the job. Over 47% said their work has suffered due to personal problems and family conflicts. At Browning Therapy Group, they specialize in all workplace behavioral stressors – both on-the-job conflicts, as well as outside issues that may affect workplace performance and job satisfaction.

Hearing is one of the five natural senses that allow us to enjoy life and the world around us. Music, radio, television, movies, and theater – all become less accessible and enjoyable without the benefits of hearing. And hearing loss can lead to more serious problems such as social disengagement, increased stress and even cognitive decline.

Hearing is a values life asset that can be protected, treated and assisted through a program for hearing healthcare. The EPIC Hearing Service Plan provides easy access to hearing health professionals – primarily physicians and audiologists- who can help you achieve your maximum hearing potential throughout your life.

With this program you'll receive:

- A national alliance of independent ear physicians and audiologists dedicated to high-quality hearing care.
- Substantial savings – between 30% and 60% - on name-brand hearing aids and products to protect and improve your hearing.
- Routine Hearing Exam: \$70 benefit.
- Hearing Aid Benefit: \$4,000 for one hearing aid and \$8,000 for two hearing aids, every 3 years

How the EPIC Plan works:

- Call EPIC today to start your hearing program.
- A hearing counselor will register you and assist in determining your hearing care needs.
- You will receive a Hearing Service Plan booklet outlining all plan series and pricing.
- A hearing counselor will coordinate a referral to a provider located near your home or work.
- Contact the provider; follow through with an appointment, examination and treatment.
- EPIC will coordinate and manage all payments and assist you in coordinating insurance benefits or coverage when applicable.
- Our hearing counselors are available to help you, and to provide advice or additional information.

BASIC LIFE INSURANCE

Is your family protected?

Basic Life insurance can fill a number of financial gaps due to a temporary or permanent reduction of income. Consider what your family would need to cover day-to-day living expenses and medical bills during a pregnancy or illness-related disability leave, or how you would manage large expenses (rent or mortgage, children’s education, student loans, consumer debt, etc.) after the death of a spouse or partner.

Basic Life

Basic Life Insurance pays your beneficiary a lump sum if you die. Coverage is provided by The Standard, and employees pay the first 2 years of employment on premiums, thereafter, the Los Angeles County Metropolitan Transportation Authority pays the premium.

Class	Amount of Life Insurance
ATU Active Employees	\$30,000

Accelerated Death Benefit

Employees also have the Accelerated Death Benefit as part of your Basic Life insurance. You may receive an Accelerated Death Benefit of up to 80% of your Life Insurance. The maximum Accelerated Death Benefit is \$500,000. The minimum Accelerated Death Benefit is \$5,000 or 10% of your Insurance, whichever is greater.

Your beneficiary = who gets paid

If the worst happens, your beneficiary—the person (or people) on record with the Life Insurance carrier—receives the benefit. Make sure that you name at least one beneficiary for your Life Insurance benefit, and change your beneficiary as needed if your situation changes.

IMPORTANT PLAN INFORMATION

In this section, you'll find important plan information, including:

- Your medical, dental and vision benefit contributions for the 2026/2027 plan year.
- Contact information for our benefit carriers and vendors.
- A summary of the health plan notices you are entitled to receive annually, and where to find them.
- A Benefits Glossary to help you understand important insurance terms.

YOUR MONTHLY BENEFIT COSTS

Medical

ATU Local 1277 members pay a flat amount of \$80 a month for their medical plans whether they are covering just for themselves or their entire family.

Dental & Vision

There are no payroll deductions.

Basic Life

Payroll Deductions – Employees pay the premium during the first 2 years of employment, thereafter, LA Metro pays the premium.

GLOSSARY

-A-

Allowed Amount

The maximum amount your plan will pay for a covered healthcare service.

Ambulatory Surgery Center (ASC)

A healthcare facility that specializes in same-day surgical procedures such as cataracts, colonoscopies, upper GI endoscopy, orthopedic surgery, and more.

Annual Limit

A cap on the benefits your plan will pay in a year. Limits may be placed on particular services such as prescriptions or hospitalizations. Annual limits may be placed on the dollar amount of covered services or on the number of visits that will be covered for a particular service. After an annual limit is reached, you must pay all associated health care costs for the rest of the plan year.

-B-

Balance Billing

In-network providers are not allowed to bill you for more than the plan's allowable charge, but out-of-network providers are. This is called balance billing. For example, if the provider's fee is \$100 but the plan's allowable charge is only \$70, an out-of-network provider may bill YOU for the \$30 difference (the balance).

Beneficiary

The person (or persons) that you name to be paid a benefit should you die. Beneficiaries are requested for life plans. You must name your beneficiary in advance.

Brand Name Drug

A drug sold under its trademarked name. For example, Lipitor is the brand name of a common cholesterol medicine.

-C-

COBRA

A federal law that may allow you to temporarily continue healthcare coverage after your employment ends, based on certain qualifying events. If you elect COBRA (Consolidated Omnibus Budget Reconciliation Act) coverage, you pay 100% of the premiums, including any share your employer used to pay, plus a small administrative fee.

Claim

A request for payment that you or your health care provider submits to your healthcare plan after you receive services that may be covered.

Coinurance

Your share of the cost of a healthcare visit or service. Coinsurance is expressed as a percentage and always adds up to 100%. For example, if the plan pays 70%, your coinsurance responsibility is 30% of the cost. If your plan has a deductible, you pay 100% of the cost until you meet your deductible amount.

Copayment

A flat fee you pay for some healthcare services, for example, a doctor's office visit. You pay the copayment (sometimes called a copay) at the time you receive care. In most cases, copays do not count toward the deductible.

-D-

Deductible

The amount of healthcare expenses you have to pay for with your own money before your health plan will pay. The deductible does not apply to preventive care and certain other services.

Family coverage may have an **aggregate** or **embedded** deductible. Aggregate means your family must meet the entire family deductible before any individual expenses are covered. Embedded means the plan begins to make payments for an individual member as soon as they reach their individual deductible.

Dental Basic Services

Services such as fillings, routine extractions and some oral surgery procedures.

Dental Diagnostic & Preventive Generally includes routine cleanings, oral exams, x-rays, and fluoride treatments. Most plans limit preventive exams and cleanings to two times a year.

Dental Major Services

Complex or restorative dental work such as crowns, bridges, dentures, inlays and onlays.

-E-

Eligible Expense

A service or product that is covered by your plan. Your plan will not cover any of the cost if the expense is not eligible.

Excluded Service

A service that your health plan doesn't pay for or cover.

-F-

Formulary

A list of prescription drugs covered by your medical plan or prescription drug plan. Also called a drug list.

-G-

Generic Drug

A drug that has the same active ingredients as a brand name drug, but is sold under a different name. For example, Atorvastatin is the generic name for medicines with the same formula as Lipitor.

Grandfathered

A medical plan that is exempt from certain provisions of the Affordable Care Act (ACA).

-I-

In-Network

In-network providers and services contract with your healthcare plan and will usually be the lowest cost option. Check your plan's website to find doctors, hospitals, labs, and pharmacies. Out-of-network services will cost more, or may not be covered.

-L-

Life Insurance

An insurance plan that pays your beneficiary a lump sum if you die.

GLOSSARY

-M-

Mail Order

A feature of a medical or prescription drug plan where medicines you take routinely can be delivered by mail in a 90-day supply.

-O-

Open Enrollment

The time of year when you can change the benefit plans you are enrolled in and the dependents you cover. Open enrollment is held one time each year. Outside of open enrollment, you can only make changes if you have certain events in your life, like getting married or adding a new baby or child in the family.

Out-of-Network

Out-of-network providers (doctors, hospitals, labs, etc.) cost you more because they are not contracted with your plan and are not obligated to limit their maximum fees. Some plans, such as HMOs and EPOs, do not cover out-of-network services at all.

Out-of-Pocket Cost

A healthcare expense you are responsible for paying with your own money, whether from your bank account, credit card, or from a health account such as an HSA, FSA or HRA.

Out-of-Pocket Maximum

Protects you from big medical bills. Once costs "out of your own pocket" reach this amount, the plan pays 100% of most remaining eligible expenses for the rest of the plan year.

Family coverage may have an *aggregate* or *embedded* maximum. Aggregate means your family must meet the entire family out-of-pocket maximum before the plan pays 100% for any member. Embedded means the plan will cover 100% for an individual member as soon as they reach their individual maximum.

Outpatient Care

Care from a hospital that doesn't require you to stay overnight.

-P-

Participating Pharmacy

A pharmacy that contracts with your medical or drug plan and will usually result in the lowest cost for prescription medications.

Plan Year

A 12-month period of benefits coverage. The 12-month period may or may not be the same as the calendar year.

Preferred Drug

Each health plan has a preferred drug list that includes prescription medicines based on an evaluation of effectiveness and cost. Another name for this list is a "formulary." The plan may charge more for non-preferred drugs or for brand name drugs that have generic versions. Drugs that are not on the preferred drug list may not be covered.

Preventive Care Services

Routine healthcare visits that may include screenings, tests, check-ups, immunizations, and patient counseling to prevent illnesses, disease, or other health problems. Many preventive care services are fully covered. Check with your health plan in advance if you have questions about whether a preventive service is covered.

Primary Care Provider (PCP)

The main doctor you consult for healthcare issues. Some medical plans require members to name a specific doctor as their PCP, and require care and referrals to be directed or approved by that provider.

-T-

Telehealth / Telemedicine / Teledoc

A virtual visit to a doctor using video chat on a computer, tablet or smartphone. Telehealth visits can be used for many common, non-serious illnesses and injuries and are available 24/7. Many health plans and medical groups provide telehealth services at no cost or for much less than an office visit.

-U-

UCR (Usual, Customary, and Reasonable)

The amount paid for a medical service in a geographic area based on what providers in the area usually charge for the same or similar medical service. The UCR amount sometimes is used to determine the allowed amount.

Urgent Care

Care for an illness, injury or condition serious enough that care is needed right away, but not so severe it requires emergency room care. Treatment at an urgent care center generally costs much less than an emergency room visit.

-V-

Vaccinations

Treatment to prevent common illnesses such as flu, pneumonia, measles, polio, meningitis, shingles, and other diseases. Also called immunizations.

PLAN DOCUMENTS

Important documents for our health plan and retirement plan are available on pages 35 - 44. Paper copies of these documents and notices are available if requested. If you would like a paper copy, please contact the Plan Administrator.

SUMMARY PLAN DESCRIPTIONS (SPD)

The legal document for describing benefits provided under the plan as well as plan rights and obligations to participants and beneficiaries.

- Kaiser Traditional HMO
- UnitedHealthcare Signature Value Harmony Narrow Network HMO
- UnitedHealthcare Signature Value Full Network HMO
- Anthem Buyer Custom Premier PPO

SUMMARY OF BENEFITS AND COVERAGE (SBC)

A document required by the Affordable Care Act (ACA) that presents benefit plan features in a standardized format. SBC documents are available on your MyBenefits.life page.

- Kaiser Traditional HMO
- UnitedHealthcare Signature Value Harmony Narrow Network HMO
- UnitedHealthcare Signature Value Full Network HMO
- Anthem Buyer Custom Premier PPO

STATEMENT OF MATERIAL MODIFICATIONS

This enrollment guide constitutes a Summary of Material Modifications (SMM) to the Kaiser Permanente, UnitedHealthcare, and Anthem Blue Cross plans. It is meant to supplement and/or replace certain information in the SPD, so retain it for future reference along with your SPD. Please share these materials with your covered family members.

IMPORTANT PLAN INFORMATION

HEALTH PLAN NOTICES

These notices must be provided to plan participants on an annual basis and are available in the Annual Notices document, located on pages 36-44.

- **Medicare Part D Notice:** Describes options to access prescription drug coverage for Medicare eligible individuals
- **Women's Health and Cancer Rights Act:** Describes benefits available to those that will or have undergone a mastectomy
- **Newborns' and Mothers' Health Protection Act:** Describes the rights of mother and newborn to stay in the hospital 48-96 hours after delivery
- **HIPAA Notice of Special Enrollment Rights:** Describes when you can enroll yourself and/or dependents in health coverage outside of open enrollment
- **Availability of Privacy Practices Notice:** Describes how health information about you may be used and disclosed
- **Notice of Grandfathered Plan Status:** Notifies you that a plan is grandfathered and does not include all Affordable Care Act (ACA) provisions
- **Michelle's Law:** Describes right to extend dependent medical coverage during student leaves
- **ACA Disclaimer:** This is a notice stating that information, services, or statements related to the Affordable Care Act (ACA) are provided with certain limitations, conditions, or legal qualifications.

- **Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP):** Describes availability of premium assistance for Medicaid eligible dependents.
- **Notice of Grandfathered Plan Status:** Notifies you that a plan is grandfathered and does not include all Affordable Care Act (ACA) provisions

COBRA CONTINUATION COVERAGE

You and/or your dependents may have the right to continue coverage after you lose eligibility under the terms of our health plan. Upon enrollment, you and your dependents receive a COBRA Initial Notice that outlines the circumstances under which continued coverage is available and your obligations to notify the plan when you or your dependents experience a qualifying event. Please review this notice carefully to make sure you understand your rights and obligations.

Medicare Part D Notice

Important Notice from ATU Health & Welfare Fund About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with ATU Health & Welfare Fund and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. The ATU Health & Welfare Fund has determined that the prescription drug coverage offered by Anthem Blue Cross, Kaiser Permanente and United Healthcare is, on average for all plan participants, expected to pay out as much as the standard Medicare prescription drug coverage will pay and is considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your ATU Health & Welfare Fund coverage will not be affected. See below for more information about what happens to your current coverage if you join a Medicare drug plan. Important Note for Retiree Plans: Certain retiree plans will terminate RX coverage when an individual enrolls in Medicare Part D and individuals might not be able to re-enroll in that coverage. If completing this Notice for a retiree plan, review the plan provisions before completing this form and modify this section as needed.

Since the existing prescription drug coverage under ATU Health & Welfare Fund is creditable (e.g., as good as Medicare coverage), you can retain your existing prescription drug coverage and choose not to enroll in a Part D plan; or you can enroll in a Part D plan as a supplement to, or in lieu of, your existing prescription drug coverage.

If you do decide to join a Medicare drug plan and drop your ATU Health & Welfare Fund prescription drug coverage, be aware that you and your dependents can only get this coverage back at open enrollment or if you experience an event that gives rise to a HIPAA Special Enrollment Right.

Remember - Retired employees and their dependents who enroll in a Medicare prescription drug plan and drop their ATU Health & Welfare Fund-sponsored prescription drug coverage may be reinstated at an annual open enrollment if you drop Medicare Part D and your account with the ATU Health and Welfare Fund is in good standing.

Please contact us for more information about what happens to your coverage if you enroll in a Medicare prescription drug plan.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with ATU Health & Welfare Fund and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For more information about this notice or your current prescription drug coverage...

You may contact the Benefits Administration office at (213) 922-1266 for further information. NOTE: You will receive this notice annually and at other times in the future such as before the next period you can enroll in Medicare prescription drug coverage, and if this coverage through ATU Health & Welfare Fund changes. You also may request a copy.

For more information about your options under Medicare prescription drug coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare prescription drug plans. For more information about Medicare prescription drug plans:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 800-MEDICARE (800-633-4227). TTY users should call 877-486-2048.

For people with limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help is available from the Social Security Administration (SSA) online at www.socialsecurity.gov, or you may call them at 800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

Women's Health and Cancer Rights Act

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits are subject to the same deductible and co-payments applicable to other medical and surgical procedures provided under this plan. Therefore, the following deductibles and coinsurance apply:

- Kaiser Traditional HMO
- UnitedHealthcare Signature Value Harmony
- UnitedHealthcare Signature Value
- Anthem Buyer PPO

Newborns' and Mothers' Health Protection Act

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours). If you would like more information on maternity benefits, call your plan administrator.

HIPAA Notice of Special Enrollment Rights

If you decline enrollment in the ATU Health & Welfare Fund health plan for you or your dependents (including your spouse) because of other health insurance or group health plan coverage, you or your dependents may be able to enroll in the ATU Health & Welfare Fund health plan without waiting for the next open enrollment period if you:

- Lose other health insurance or group health plan coverage. You must request enrollment within 30 days after the loss of other coverage.
- Gain a new dependent as a result of marriage, birth, adoption, or placement for adoption. You must request health plan enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.
- Lose Medicaid or Children's Health Insurance Program (CHIP) coverage because you are no longer eligible. You must request medical plan enrollment within 60 days after the loss of such coverage.

If you request a change due to a special enrollment event within the 30-day timeframe, coverage will be effective the date of birth, adoption or placement for adoption. For all other events, coverage will be effective the first of the month following your request for enrollment. In addition, you may enroll in the ATU Health & Welfare Fund plan if you become eligible for a state premium assistance program under Medicaid or CHIP. You must request enrollment within 60 days after you gain eligibility for medical plan coverage. If you request this change, coverage will be effective the first of the month following your request for enrollment. Specific restrictions may apply, depending on federal and state law.

Note: If your dependent becomes eligible for a special enrollment right, you may add the dependent to your current coverage or change to another health plan.

Availability of Privacy Practices Notice

We maintain the HIPAA Notice of Privacy Practices for ATU Health & Welfare Fund describing how health information about you may be used and disclosed. You may obtain a copy of the Notice of Privacy Practices by contacting the Benefits Administration office at (213) 922-1266.

Notice of Grandfathered Plan Status

Anthem and United Healthcare believes the Anthem Buyer, Anthem Blue Card OOS (Out-of-state) Plan, UnitedHealthcare Signature Value, and UnitedHealthcare Harmony is a “grandfathered health plan” under the Patient Protection and Affordable Care Act (the Affordable Care Act). As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that your plan may not include certain consumer protections of the Affordable Care Act that apply to other plans, for example, the requirement for the provision of preventive health services without any cost sharing. However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of lifetime limits on benefits.

Questions regarding which protections apply, and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to the plan administrator at Benefits Administration office at (213) 922-1266.

Michelle’s Law

Some medical plans may extend medical coverage for dependent children if they lose eligibility for coverage because of a medically necessary leave of absence from school. Coverage may continue for up to a year, unless your child’s eligibility would end earlier for another reason.

Extended coverage is available if a child’s leave of absence from school — or change in school enrollment status (for example, switching from full-time to part-time status) — starts while the child has a serious illness or injury, is medically necessary and otherwise causes eligibility for student coverage under the plan to end. Written certification from the child’s physician stating that the child suffers from a serious illness or injury and the leave of absence is medically necessary may be required.

If your child will lose eligibility for coverage because of a medically necessary leave of absence from school and you want his or her coverage to be extended, notify the ATU Benefit Line as soon as the need for the leave is recognized. In addition, contact your child’s health plan to see if any state laws requiring extended coverage may apply to his or her benefits.

ACA Disclaimer

This offer of coverage may disqualify you from receiving government subsidies for an Exchange plan even if you choose not to enroll. To be subsidy eligible you would have to establish that this offer is unaffordable for you, meaning that the required contribution for employee only coverage under our base plan exceeds 9.96% of your modified adjusted household income in 2026 and 8.50% in 2027

The ‘No Surprises’ Rules

The “No Surprises” rules protect you from surprise medical bills in situations where you can’t easily choose a provider who’s in your health plan network. This is especially common in an emergency situation, when you may get care from out-of-network providers. Out-of-network providers or emergency facilities may ask you to sign a notice and consent form before providing certain services after you’re no longer in need of emergency care. These are called “post-stabilization services.” You shouldn’t get this notice and consent form if you’re getting emergency services other than post-stabilization services. You may also be asked to sign a notice and consent form if you schedule certain non-emergency services with an out-of-network provider at an in-network hospital or ambulatory surgical center.

The notice and consent form informs you about your protections from unexpected medical bills, gives you the option to give up those protections and pay more for out-of-network care, and provides an estimate of what your out-of-network care might cost. You aren’t required to sign the form and shouldn’t sign the form if you didn’t have a choice of health care provider or facility before scheduling care. If you don’t sign, you may have to reschedule your care with a provider or facility in your health plan’s network.

[View a sample notice and consent form \(PDF\).](#)

This applies to you if you’re a participant, beneficiary, enrollee, or covered individual in a group health plan or group or individual health insurance coverage, including a Federal Employees Health Benefits (FEHB) plan.

Premium Assistance under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs, but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of **January 31, 2026**. Contact your State for more information on eligibility.

Paperwork Reduction Act Statement

According to the Paperwork Reduction Act of 1995 (Pub. L. 104-13) (PRA), no persons are required to respond to a collection of information unless such collection displays a valid Office of Management and Budget (OMB) control number. The Department notes that a Federal agency cannot conduct or sponsor a collection of information unless it is approved by OMB under the PRA, and displays a currently valid OMB control number, and the public is not required to respond to a collection of information unless it displays a currently valid OMB control number. See 44 U.S.C. 3507. Also, notwithstanding any other provisions of law, no person shall be subject to penalty for failing to comply with a collection of information if the collection of information does not display a currently valid OMB control number. See 44 U.S.C. 3512.

The public reporting burden for this collection of information is estimated to average approximately seven minutes per respondent. Interested parties are encouraged to send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U.S. Department of Labor, Employee Benefits Security Administration, Office of Policy and Research, Attention: PRA Clearance Officer, 200 Constitution Avenue, N.W., Room N-5718, Washington, DC 20210 or email ebsa.opr@dol.gov and reference the OMB Control Number 1210-0137.
